EXPERIENCE CERTIFICATE

This is to certify that Mr. Pankaj Prashar, S/O Purshottam Chand, a permanent resident of VPO Sarotri, Tehsil Baroh, District Kangra, Himachal Pradesh, served as an Architect at our firm, M/s **Sharma Infratech**, from 1st June 2022 to 31st July 2024 at our office. During his tenure, he was responsible for a range of duties related to architectural drafting, design, and industry-specific training, contributing both to teaching and practical applications in the architectural field.

His key job responsibilities included (but were not limited to):

- **Conceptualization and Design:** Developing and designing architectural concepts and integrating allied services into comprehensive project plans.
- **Technical Expertise:** Addressing the technical aspects of design decisions with a focus on architectural accuracy and precision.
- **Client and Consultant Management:** Preparing and negotiating proposals, fee structures, project timelines, and contracts for clients and consultants.
- **Project Communication:** Serving as the primary point of communication, ensuring effective coordination and resolution of issues between clients, contractors, and vendors.
- **Stakeholder Collaboration:** Maintaining continuous collaboration with all project stakeholders, ensuring objectives were met and upholding the highest standards of architectural practice.

We found Mr. Pankaj Prashar's services to be diligent, professional, and valuable. We highly endorse his skills in architecture and industry-specific training and wish him success in all his future **endeavors**.

Sincerely,

For Sharma Infratech
